L&G Global Brands UCITS ETF

Share Class USD Accumulating ETF - ISIN: IE0007HKA9K1. The Fund is a sub-fund of Legal & General UCITS ETF Plc (the "Company").
 Managed by LGIM Managers (Europe) Limited, a member of the Legal & General group (the "Manager")

OBJECTIVES AND INVESTMENT POLICY

- The L&G Global Brands UCITS ETF (the "Fund") is a passively managed exchange traded fund ("ETF") that aims to track the performance of the Solactive Brand Finance Global Brands Index Net Total Return (the "Index"), subject to the deduction of the ongoing charges and other costs associated with operating the Fund.
- The Fund promotes a range of environmental and social characteristics which are met by tracking the Index. Further information on how such characteristics are met by the Fund can be found in the Fund Supplement.
- Dealing.** Shares in this share class (the "Shares") are denominated in USD and can be bought and sold on stock exchanges by ordinary investors using an intermediary (e.g. a stockbroker). In normal circumstances, only Authorised Participants may buy and sell Shares directly with the Company. Authorised Participants may redeem their Shares on demand in accordance with the "Dealing Timetable" published on www.lgim.com.
- Index.** The Index is designed to provide exposure to stocks of companies globally that represent the most valuable brands, subject to liquidity, ESG and quality-based filters. The Index will exclude companies which (i) are non-compliant with the UN Global Compact, (ii) are associated with a controversy (i.e. companies that have been involved in events that have a severe impact on the environment and society, posing serious business risks to the company), (iii) are involved in the production or retail of tobacco, or are a related product/service, (iv) are involved in military contracting weapons or related products, (v) are directly involved or indirectly involved through corporate ownership, in controversial weapons, (vi) are involved in the retail or

distribution of small arms to civilians (assault and non-assault weapons) and military/law enforcement customers, as well as key components of small arms, (vii) are involved in thermal coal extraction, power generation or increase the power generation capacity of coal (viii) are involved in the generation, production or increase the capacity of conventional oil and gas, or supporting products/services, (ix) are involved in oil sands extraction, arctic oil & gas exploration/extraction, shale energy extraction or increase the capacity of unconventional oil & gas, (x) are involved in the production, distribution, supporting products or capacity increase of nuclear power, (xi) are involved in the operations, specialized equipment or supporting products/services of gambling, or (xii) are involved in the production or distribution of adult entertainment. Such exclusions and the definition of "involvement" are determined by reference to the Index methodology which is available at: www.solactive.com.

- Replication.** The Fund will primarily invest in the companies contained in the Index in similar proportions to their weightings in the Index. The Fund may also invest in (1) companies that are not constituents of the Index that have similar risk and performance characteristics to the companies contained in the Index and (2) financial derivative instruments ("FDIs") (i.e. investments the prices of which are based on the companies contained in the Index and/or such other companies). Adjustments to the Fund's portfolio, including as a result of a reconstitution of the Index, will incur transaction costs.
- Dividend Policy.** This share class does not intend to pay dividends. Any income which may result from the Fund's investments will be re-invested into the Fund.

RISK AND REWARD PROFILE

The Fund is rated 6 due to the nature of its investments and its risks. The rating is calculated based on historical data and may not be a reliable indication of the Fund's future risk profile. The risk category may shift over time. The lowest category on the above scale does not mean "risk free".

The risk and reward indicator may not take account of the following risks of investing in the Fund :

- Third party service providers (such as counterparties entering into FDIs with

- the Fund or the Company's depository) may go bankrupt and fail to pay money due to the Fund or return property belonging to the Fund.
- If the Index provider stops calculating the Index or if the Fund's license to track the Index is terminated, the Fund may have to be closed.
- It may not always be possible to buy and sell Shares on a stock exchange or at prices closely reflecting the NAV.
- There is no capital guarantee or protection on the value of the Fund. Investors can lose all the capital invested in the Fund.

Please refer to the "Risk Factors" section of the Company's Prospectus and the Fund Supplement.
